

WASH MY HANDS song

Before I eat I wash, wash my hands x2

I play, play, play, then I wash the germs away

Before I eat I wash, wash my hands.

If we play outside, we must wash our hands X2

If we go outside to play, we must wash the germs away

If we play outside, we must wash our hands.

If I blow my nose I must wash my hands x2

If I blow my nose, hurrray, I must wash the germs away

If I blow my nose I must wash my hands.

If I sneeze I also must wash my hands x2

If I sneeze, I must, hurrray, cover my nose in my arm

If I sneeze I also must wash my hands.
